

Ethereal Grace

10 Drink Glasses Pack - 3D Low Poly Models

About Package:

- 3D low poly 10 drinking glass models in a porcelain milky color style.
- Perfectly designed to add a touch of sophistication to any virtual dining or kitchen scene.
- Each glass in this pack is crafted with precision, showcasing clean lines and a smooth, milky porcelain texture that exudes a sense of purity and refinement.
- The low poly design ensures optimal performance and easy integration into any digital environment, making them ideal for use in games, and animation projects.
- From tall, slender glasses perfect for elegant cocktails to robust tumblers suited for everyday beverages, this pack offers options to suit any occasion.
- The porcelain milky color style adds a unique, timeless quality to the glasses, making them a standout feature in any scene.
- All 10 models have colliders and rigid bodies.
